

A man in a bright green short-sleeved button-down shirt and dark trousers is walking on a cobblestone sidewalk. He is looking down at a device in his hands. The street is paved with cobblestones and has a concrete curb on the left. To the left of the curb is a grassy area with various green plants and trees. In the background, a white car is parked on the street, and a red crane is visible in the distance. A brick building with several windows is on the right side of the street. The scene is brightly lit, suggesting a sunny day.
